

OXFORD-HARRINGTON RARE DISEASE SCHOLAR AWARD FULL APPLICATION GUIDELINES

The Oxford-Harrington Rare Disease Scholar Award **advances promising discoveries from academic labs to move them into clinical practice**. The award combines funding and expert therapeutic development support to help researchers in the UK, US or Canada to accelerate preclinical projects towards treatments for patients.

Please see below for the list of sections you will be asked to fill out in your online application for the grant award program. To access and submit your online application, please log into HarringtonDiscovery.SmartSimple.com.

[Version: October 2025]
